

THE HIGH AND DREADFUL WHEELS

1. What Ezekiel saw was awesome,
the high and dreadful wheels
Lord, impress me with this vision,
and do make me feel
That Your presence in me is so real
Lord move in me, with a burning zeal.

Chorus:

Lord I give myself to You today
Make me a part of Your great move I pray.
The time is short, I can't afford delay
Move now in me that I may move with You.

2. And beside the living creatures
the wheels on earth were found
The appearance was like beryl
with eyes all around
Wheel in a wheel a sight that's so profound
Showing we must in God's move about.
3. The Lord's moving in our moving
Two spirits become one
When we exercise our spirit
Hindrances are gone
Living as one, expressing Christ the Son
We move as one, victory is won!
